This pony coming off a sharp contest in the last month or so is definitely live. • Failed as the chalk in the most recent attempt. ☹ Didn't show much willingness during the stretch run last time - be cautious with him.

Folded in the stretch last time out. ☹ Have to be leery with horses trained by Reil L Payton right now - on a chilly streak. ☹ This gelding's rider hasn't been getting many wins within the recent past.

Didn't exhibit enough grit down the lane last time. Recently, this jockey just doesn't seem to be able to buy a win. Didn't finish near the top of the field last affair - might have to expect more of the same today.

Tread lightly with this horse - connections have been off kilter when teaming up. Scott Eugene Young hasn't been burning up the track in recent times. This colt is in fine physical condition, having run a good race last time out.

Lost ground in the homestretch in the last race. Have to be leery with animals trained by Jimmie L Hale right now - on a cold streak. This gelding has not run well under Jimmie L Hale 's training (4% wins).

Definitely one of the good values in this event given the power rating. Joe Lucas has not gotten the best out of this gelding (13 starts, 8% wins). This fine animal ran a nice one last time.
